

### Introduction

Your Smart Phone is Intelligent. Now your accessories can be too.

Thank you for purchasing the Smartcell Dual USB Car Charger. Please read this Smart Guide Instructional Booklet carefully before using your device.

### Features

The Smartcell Dual USB Car Charger will keep your devices juiced while you are on the road. Armed with a 3.1A total output, this little monster can charge up to 2 USB powered devices at the same time. It is ultra-portable, compact, & boasts a sophisticated design that provides overheating/overcharging protection.

Your smartphones and tablets will be safely & rapidly powered for you wherever you go. Best of all, you can now keep the back seat driver occupied.
