

Introduction

Your Smart Phone is Intelligent. Now your accessories can be too.

Thank you for purchasing the Smartcell Wireless Shower Speaker. Please read this Smart Guide Instructional Booklet carefully before using your device.

Features

The Smartcell Wireless Shower Speaker allows you to stream crystal clear audio from any Bluetooth™ enabled phone, tablet, or computer. Play music from your favorite audio app! The splash-proof speaker enclosure makes it safe to use in the shower, poolside, in the boat, or at the beach. With a built-in microphone, the unit can also dub as a hands-free speaker phone for mobile phone calls. Keep marching to your own beat...wherever life takes you!

Enjoy singing in the rain.

Music Playback Time	3-5 Hours at 70% Volume
Charging Standard	DC 5V, 500mA
Charging Time	0.5 - 1.5 Hours

2

Charging Your Wireless Speaker

1 Open the dust cover and connect a micro USB cable to the Wireless Speaker.

2 Connect the USB end of the cable to a USB wall charger (not included).

3 Allow to charge completely, about 2 hours, or until LED Indicator stops shining Red (Indicator may not be visible through dark-colored splash-proof casings).

4 Once charging is complete, remove cable and close dust cover. Keeping dust cover closed optimizes sound and protects speaker.

3

Using Your Wireless Speaker

1 Switch on the Speaker. After 5-7 seconds, you will hear an audible two-toned beep.

2 Connecting your smartphone/tablet/computer enabled with Bluetooth:

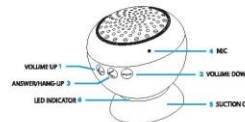

- Activate your device's Bluetooth Search under Settings and search for the Wireless Speaker "SC-WSS."
- Connect with the device "SC-WSS." When successfully connected, you will hear an audible, mono-toned beep.
- Your speaker is now ready for use.

Important

- Hands-Free is only available in BT connected status.
- If there are issues connecting to the Speaker, delete SC-WSS from your device and pair again.
- Splash-Proof: The silicone gel housing provides water protection, but please use caution in protecting the inner structure and components. They are not waterproof.
