Important Safety Instructions

When using your Travel Plug, basic precautions should always be followed:

- 1 Do not use this adapter with products using screw-base lamp holder sockets/convenience outlets.
- 2 THIS PRODUCT IS NOT A VOLTAGE CONVERTER. Use this adapter set with devices rated for both 120 and 240 volts. Use of devices rated only at 120 volts may result in damage or injury to persons and/or the device.
- 3 Always attach adapter to device first, then plug it into the outlet.
- 4 Always disconnect the device from the outlet when not in use.
- 5 Always be sure the device's rated voltage is compatible with the outlet you intend to use.
- 6 Do not use with a device rated to draw more than 10 Amps.
- 7 The adapter must be fully inserted into the outlet. Never use the adapter if the pin or blade is exposed.
